

**St George's  
Primary School**

Dear Parents & Carers,

Welcome to our December newsletter for children and families who attend St George's Primary School. We are all looking forward to starting the Christmas festivities with Assemblies, Trips and the PTA Fair this coming Saturday. May I take this opportunity to thank all of the adults who have volunteered to set up and run the stalls, we could not do it without your support.

### **Christmas at St George's Primary School**

The children have been practising their songs and lines in preparation for the Christmas Assemblies. Please see the list below with all the dates and times. There will be a pupil Christmas lunch on Tuesday 20<sup>th</sup> December, children will be invited to wear a Christmas jumper and hat to celebrate the event.

### **Charity Update**

Thank you to all the adults and children that have supported our charity appeals this term. We are very proud to inform you that we raised almost £500 and counting for Children In Need. We donated approximately 100 boxes to the Rotary filled with gifts for disadvantaged children, families and the elderly. Response received 4 hampers for the homeless teenagers to enjoy. Our school donated £310 to the Poppy Appeal, we were the highest fundraising school in the Wirral. The children have been praised for their hard work and kindness supporting others that are not as fortunate.

#ANTIBULLYINGWEEK

### **Pupil Voice & Parent Workshop**

Thank you to all the parents, carers and Governors that supported the school council Antibullying Workshop. The staff and children felt that the discussion and ideas will help to develop the school behaviour policy. Please visit the school website for updates.

### **Safety Entering and Exiting School**

Please make sure you park responsibly by avoiding stopping on zig zag lines when bringing your child to school and collecting them at the end of the day. We have also received reports that dogs are being taken into school premises, if you walk your dog to school please tie them up in a safe place away from entrances and exits. May I also take this opportunity to remind adults not to use their mobile telephones on school premises.

### **Support for Parents**

We have two dedicated Learning Mentors available to offer a range of support. Their role includes working with children, parents, carers, teachers and other agencies on various issues which may affect a child's learning. For further information please visit the school website, noticeboards or the school office.

The January Year Group newsletters will be available prior to the end of term with all the unit specific dates. On behalf of all the staff at St George's Primary may we wish all our families an enjoyable run up to Christmas.

Yours sincerely

T. Skarratts-Jackson  
Acting Headteacher
