

**New Classes and Transition Day Organisation**  
**Wednesday 11<sup>th</sup> July**

Below are the details for our classes for next year. Wednesday 11<sup>th</sup> is also transition day across the school. All children will be spending the day in their **new classes**.

They will be dropped off and collected at their new class entry point. This will be good practise for September. Don't worry if you don't know the exact location there will be signs and staff available.

**For children in Year 4 (moving to Year 5 in September)** please note that children attending Dragon Club should go to top site Dragon Club on Wednesday 11<sup>th</sup> July. We have also arranged for Year 4 (moving to Year 5 in September) to be dropped at top site at 8.40am and collected from the main gates at 3.10pm on this day. This will allow parents to drop off/collect siblings from lower site and avoid any congestion at the main gate. Any children attending after school sports clubs will be escorted to the lower site building.

**Children in Year 6** will be visiting their new secondary school for the day. You should have been contacted by your child's school with arrangements for the day. It is parents' responsibility to ensure their children get to their secondary school safely. They wear their primary school uniform on this day.
