

Fantastic opportunity for Year 5 children in Wirral!

In celebration of the 50th Anniversary of the moon-landing, Wirral Council, with support from hi-impact consultancy, will be inviting 50 Wirral School children to an exciting two day space themed camping experience!

This opportunity is completely free of charge and will include an array of Science and Technology activities, special guest speakers and BBC presenters.

In order to be in with a chance of winning a place on this outstanding camping trip, all your children have to do is individually design a mission patch for the project. This mission patch must include the theme of space/stars and the moon as well as highlighting the Wirral.

The best 10 entries, as judged by our panel of experts, will win 5 tickets for their school to attend 'Mooncamp' taking place in Thurstaston on 02.10.19 - 03.10.19.

Closing Date for Entry: 05.07.19

FREE!
